

# COMMITMENT TO CHILD SAFETY

Moriac Preschool version 1.0

## RESPONSIBILITIES

Moriac Preschool is committed to the safety and wellbeing of all children and young people.

This is the primary focus of our care and decision-making.

Moriac Preschool has zero tolerance for child abuse.

Moriac Preschool is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives. Particular attention is paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability. Every person involved in Moriac Preschool has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all that they do and every decision that they make.
